Each year, the McDonalds Corporation has an Owner's Conference (East Coast Zone) in either Orlando, FL or Las Vegas, NV. Last month, our very own Sis. Ira Salls (IRA, Inc.) was honored at the Las Vegas conference in the category "Family Values". While she has been honored in other categories in previous years, this is the inaugural year for the Family Values category. This category recognizes stellar performance in community involvement, fair treatment, opportunity, etc. There were 1400 other restaurants vying for this award; IRA, Inc. surpassed all of them!

Sis. Ira began her career with the McDonalds Corporation in the accounting department and later purchased her first of three restaurants in the South Bend, IN area in 1991. She relocated to Louisville in 1995 and currently owns seven McDonalds restaurants. Her eighth restaurant opens THIS month! This newest location is the Cedar Creek McDonalds; 7724 Bardstown Road, just past Gene Snyder.

Because she was busy opening her eighth restaurant, she was unable to attend this year's Owner's Conference. Her son and daughter, Stephanie and John, received the award on her behalf.

Sis. Ira, your First Baptist Church Family is uber proud of you!! We pray God's continued blessings on your health, family, and business endeavors. As you have always honored the FBCJ family with your support anytime we've reached out, we will certainly support YOU!!
